ATTENTION RECEIVING PERSONNEL:

Goods are transported under CMR conditions. At time of delivery the following
Receiving checks are mandatory:

- Match the number of boxes and box numbers on the packing list with the physical shipment (quantity check)
- Check the physical conditions of packages (quality check)

In case of obvious or concealed damage:

- 1) Save all packing material and delivery
- 2) Contact the Agilent Technologies sales office

These commodities, technology or software were either exported from the United States or
exported/reexported from other countries, in accordance with the U.S. Export Administration
Regulations. Diversion contrary to U.S. law is prohibited.
